May it please your Excellency,

For many years past I worked along with my husband in my Coffee Plantation. After his death I have been managing it independently. I think I can manage the estate and eke out my livelihood as a Planter. In accordance with the wishes of my husband I took a boy in adoption.

The amount borrowed by my husband from the Chikmagalur Coffee Bank was Rs 7,796 the working advance that he had obtained was Rs 180. Towards this I paid on 28-3-1906. Rs 540. The realisation from the Auction sale of my wet lands was Rs 3,195. I am prepared to pay another Rs 2,000 or hand over my bungalow at Chikmagalur in addition to this. If the interest is excused and if these amounts are accepted in full satisfaction of my debts the Government will lose Rs 2241. If your Excellency accepts these payments towards the debt and restores to me my Coffee estate I shall ever be indebted to your Excellency and to His Highness the Maharajah for these gracious considerations.

Mysore,
17th December 09.

My dear Sir,

Please see your letter to the Secretary to Govt. Genl. & Rev. Departments No.139 dated 8th October 1909 and the Govt. Order thereon No. 2441-2 dated 18th November, regarding the sale of certain lands belonging to the late Mr. Ganesh Rao.

2. Mrs. Ganesh Rao (Saraswathamma) saw me here at Mysore on the subject and presented to me the enclosed petition, which I send for your perusal.

3. Mrs. Ganesh Rao represented to me, among other matters, that the Balur lands now proposed to be granted for her maintenance would be practically useless to her without the coffee land S. No.34 sold to Messrs. Morgan & Sons for Rs.2,100. She complained that her prayer for the cancellation of the sale of coffee land had not received sufficient support and she expressed before me her readiness

to pay the purchase money of Rs.2,100 if the sale be cancelled and the land restored to her. The sale having already been confirmed by Govt., there is a technical difficulty in granting her prayer. She says however that Mr. Kent the local manager of Messrs. Morgan & Sons had once expressed his willingness to restore the land if Govt. were in favor of granting it for her maintenance. Mrs. Ganesh Rao feels very strongly the loss of the coffee lands to the family. Will you very kindly interview the purchasers and ascertain their wishes about restoring the land on receiving the purchase money back. You may mention to them the special circumstances of the case and the lady's disinclination to part with the lands and use your good offices to secure it for her.

Kindly take early action and let me know the result.

Yours sincerely,

My dear Sir,

I am in receipt of your D/o letter of the 17th inst enclosing an application from one Ganesha Rao of Watekan and asking me to do what I can to have 1/4 of Balur restored to her.

The above land is an abandoned Estate which has grown up into a jungle and yields therefore absolutely nothing at present. It requires for

the cultivation heavy outlay which must. I think be four beyond the means of Mrs Ganesha Row her present condition. From what I have seen of his situation & his Caste. I can say without hesitation that its sale will not in any way interfere with his Enjoyment of his remaining portion of his Estate by Mrs Ganesha Row and that her representation that his portion of his Estate now

left for the maintenance would be useless unless the above Survey number is not correct. I beg leave to state that if I had any reason to believe that the depreciation of the above Survey number would interfere with the Enjoyment of the remaining part of the Estate I would not have recommended the confirmation of the Sale by Govt.

However, as the Lady now

wishes to have his land back and is prepared to return his amount that messrs Morgan & Co have paid for it. I shall, as directed by you, use my best efforts to persuade Mr Kent (local agent of messrs morgan & sons) to restore his land to her. I have this day written to Mr Kent to meet me if possible on the 22nd; and when I meet him I shall do my best to induce him to accede to his lady's request and report the result to you

D.O. No. 101 enc. 3

Chikmagalur,

Dated 28th December 1909.
2nd Jan 1910

My dear Sir

In continuation of my D.O. letter dated 19th instant re the application of Mrs. Ganesha Rao for the restoration to her of Sur. No. 34 of Balur village which has been sold to Messrs. Morgan and Sons, I beg to enclose herewith for your perusal a letter received by me from Mr.Kent to whom I had written informing him of the wishes of Mrs. Ganesh Rao and requesting him to meet me at Mudgere so that I may have a talk with him on the subject. It will be seen from Mr. Kent's letter that he has already started work on the land and that Messrs. Morgan and Sons would not be willing to reconvey the land to Mrs. Ganesha Rao. The Amildar of Mudgere who had seen Mr. Kent in connection with this affair informs me that he has also seen the land lately, that Messrs. Morgan and Sons have, since they purchased it, already spent over a thousand rupees in clearing it and getting it ready for planting and that Mr. Kent informed him that under the circumstances the Firm would not be prepared to reconvey the land to Mrs. Ganesha Rao for the amount they had paid for it. Mr. Kent says in his letter that the land would require Rs. 16,000/- and 5 years of good work before it can be made into a coffee Estate: and I am sure that there is not much exaggeration in the above statement. It is impossible for me to under-

stand where Mrs. Ganesha Rao can get the capital required to plant the land. I cannot believe that she will be ever able to get the amount or that she ~~even~~ intends to work up the land and plant it for herself.

2. As regards Mrs. Ganesha Rao's representation to you that the remaining part of the Estate which ~~he~~ has been graciously granted by Government for her maintenance would be practically useless to her without Survey No. 34, I have already reported in my last D.O. to you of the 19th instant that the representation is incorrect. In support of the above assertion of mine, I beg to submit herewith for your perusal copies of two petitions dated 2nd September and 21st September respectively presented to me by the lady. It will be seen that in the first of the above petitions, the lady has herself requested that Sur. No. 34 might be sold and that the remaining part of the Balur Estate as also the paddy lands at Chikmagalur might be left for her maintenance. If Sur. No. 34 were indispensable to the lady for the enjoyment of the remaining part of the Balur lands, as she wants it to be now believed, she would certainly not have herself urged in the above petition for its sale. Even in her second petition dated 21st September presented to me about 10 days after the sale, the lady has not said a word about Sur. No. 34 being indispensable to her for the enjoyment of her remaining lands at Balur. In this petition she has, while consenting to the confirmation of the sale of the paddy lands, merely asked for the cancellation of the sale of Sur. No. 34

and for permission to pay the value of it in ~~easy~~ easy instalments. I have in my letter No. 139 dated 6/8th October 1909 reporting on the case, made mention of the above petition and its contents and have given my reasons for my inability to recommend her prayer for the acceptance of Government.

3. Knowing the unfortunate plight of the lady, I have been as considerate to her as I can possibly be consistent with my duty to Government and it pains me therefore to find that she should have approached you with misrepresentation and-if I may be permitted to use the word-falsehood calculated to convey the impression to you that I have been needlessly harsh and unsympathetic towards her. My information is that Mrs. Ganesha Rao has no intention of planting the land herself, but that she has put in her application for the reconveyance of Sur. No. 34 to her with the intention of selling it at some profit to some other person, who is behind the scene and is setting her up to serve his own and the lady's purposes.

4. In this connection, I beg to represent that I have had a most unpleasant duty to do with regard to the Agricultural Bank at Chikmagalur since I joined the District. Without meaning any disparagement to my predecessors, I may state that when I assumed charge of the District about 2 years ago, I found that no bonds had been taken from any of the members and that no determined effort had been made to recover the arrears of instalments due from them. It unfortunately fell to my lot to remind the members of their indebtedness to Government of which many of

them had preferred to remain in blissful forgetfulness, to obtain the necessary ~~bonds~~ bonds from them and to adopt a decisive course of action in the case of such of the members as were either too hopelessly involved ~~without~~ to have any chance of repaying the loan or too stubbornly apathetic to heed the repeated demands made on them for payments of the arrears of instalments due from them. How far I have succeeded in my action may be judged from the fact that the cases of about half-a-dozen members - Mrs. Ganesha Rao, Messrs. Shama Rao, Jagannatha Rao, Abdul Khalik, Raja Rao, Raghavendrappa,- have been fully or nearly brought to a settlement and ~~that~~ a sum of Rs. 42.810/- has been recovered within the last 1½ years [redacted]. The members against whom I had to take action can certainly bear no good-will towards me for my attempt to settle their debts by the sale of their properties which they were unconcernedly enjoying up to now without giving a moment's thought to the heavy burden they had to discharge to Government. Nevertheless I have been steadily and without faltering, pursuing my course of action in the belief that I would otherwise be wanting in my duty towards the Government and in the hope that, if I incurred the odium of the members of the Bank, I would at least win the approbation of the Government in whose interests I was acting. I earnestly hope, Sir, that on account of the misrepresentations of the interested members, I shall not forfeit your appreciation and confidence which I have been striving to secure and without

which

which I cannot find it possible to fearlessly do my ~~[illegible]~~ duty.

S. I beg to return herewith M^r Ganeshaiah's petition received with your D^o of the 17^th inst.

I remain

Dear Mr.Srinivasa Iyengar,

Your letter of the 19th instant reached me last night on my return from Kalasa and as I am very busy I regret I cannot now come to see you. Re Wattikan, the land was auctioned September 12th, and on 15th November I received a communication NO. 592 from you saying the Government had confirmed the sale and that I could take charge communicating with the Amildar. This was done and I then commenced working the land which has now been cleared, all coffee dug out, a prtion felled and nurseries made, and I feel ~~soon~~ sure that Messrs. Morgan and Sons, under whose orders I work, will not be willing to sell the land. This is of course not the first, but about the 100th petition Mrs. Ganesha Rao has presented, of course it is all nonsense ~~all~~ about the land being necessary for her maintenance. The No. is jungle only and will require Rs. 16000/- and 5 years good work before it is coffee again.

To

K.R.Srinivasa Iyengar, Esquire,M.A.,

Deputy Commissioner,

Sir,

With reference to the Estate of my late husband , Mr.Ganesha Rao, advertised for sale on the 10th instant on account of the loan amount due to the late Agricultural Bank at Chikmagalur, I beg to request you to place the following proposal before the benign Government of Mysore with your favorable recommendation.

2. The properties mortgaged to the late Agricultural Bank are (1) coffee Estates in Balur, Mudgere Taluk; (2) paddy lands in the villages of Siragunda and Muktihalli villages, Chikmagalur Taluk.

3. Of these lands, mortgaged to the late Agricultural Bank, Survey No. 34 consisting of 38 acres and 30 guntas adjoins the Kalakki Estate - the property of Messrs. Morgan and Sons - and from its position, therefore, the more valuable and would fetch a reasonable sum if put up for sale.

The remaining 20 acres consists of small pieces of land and is at some distance from the above Sur. No. 34 and is further divided by a cart-track. There is also a small house in one of these Nos. in which at present I reside. This land is not so valuable and is not likely to fetch a price, if put up for sale.

4. The only property not mortgaged to the late Agricultural Bank- the house in Chikmagalur Town - was disposed by my late husband during his lifetime to liquidate another debt and now if the whole of the properties mortgaged are sold outright, I beg to press upon your kind attention that I will be thrown upon the world destitute and homeless.

5. Under these circumstances, I am constrained to approach you with the following proposal, with the fullest confidence that taking my position as a widow and my other circumstances, it will meet with your favorable consideration.

6. Survey No. 34 adjoining the Kalakki Estate and the house site and Compund in Chikmagalur Town may kindly be taken in full liquidation of the amount due by my husband, the late Mr.Ganesha Rao and the other properties may be kindly left to me for my living. These properties, I beg to submit are not so very valuable. This concession if shown to me by Government, would leave me a house to live in and a few acres of paddy and coffee land to live upon and spend the remaining days of my life.

Taking these facts into your kind consideration I beg you will be pleased to press on the kind notice of His Higness the Maharaja's Government with your strong support to sanction the proposal I have made and thereby give me a home to live in and a small property to live upon.

For which act of kindness, I shall as in duty bound ever pray.

I beg &c.,

Sir,

With reference to the sale of my late husband Mr. M. With reference to the coffee land , for which only one bid of Rs. 2100/- was made, I beg you will be pleased to cancel the sale and as several of my friends have promised to assist me with funds, if I can get time from the Government to pay the amount in instalments. I therefore, humbly pray that you will kindly be pleased to assist me to retain the property and allow me easy instalments to enable me to pay the amount.

It was only in response to Sriman Venkatramiah's SR that possibly the purchaser may agree to give the garden back that the D.C. was asked to attempt to bring about such a compromise. I never thought that it would come to anything practically.

Perhaps the Papers may now be given the Chickmagalur bungalow also for her maintenance & the outstanding balance written off.

I do not quite understand why the D.C. should feel so offended at any exaggerated SRs which Petrs may make when they wish to get his orders modified by Govt, or apprehend that Govt would attach any significance to such exaggerations of Petrs.

D. O. No. 7666

My dear Sir

I beg to acknowledge receipt of your D.O. dated 20th ult. regarding the suit of Mrs Ganesha Row's claims for satisfaction of the loan due from the late Chickmagalur Agricultural Bank.

On receipt of the proceedings of 18th Nov last containing the orders of Government regarding Mrs Ganesha Row's case I communicated the

order b her and advised her b
intimate b me her wishes about
the Chickmagalur Bungalow. as
directed in para 6 of his above
Proceedings I did not get any
reply from her till the 27th Decr:
Meanwhile I received your Do
of 17th Decr about the Balur coffee
Jungle sold b Mr. Kent. I thereupon
sent word b Mr Ganesha Rao
b come and see me so that
I might personally ascertain from

her he wishes about her Baker
turned and also her checkweigher
Bungalow, and do what I could
to help her; but she did not care
to come & see me. On the 2nd
Dec I got a communication from
her by post stating that she had
applied to Govt in her matter
& her Sale of the Lands and
that she was therefore unable to
reply to my letter to her about her
Checkweigher Bungalow. Thereupon

in his absence of any order from Govt to his contrary. I considered that I was bound to carry out his orders of 18th Nov last; and accordingly advertised his Chickmagalur Bungalow for Sale on his 7th of this

memo

Mrs. Ganeshadas has ~~forwarded~~ recently sent an application to me on his 31st Jan stating that she is placing her case before you and requesting me to stay the Sale of his Bungalow pending your

orders. As you have been pleased
to observe in your D^d under
reply that in consideration of
the ~~particular~~ peculiar circumstances of Mr
Lindy's case Government are
inclined to think that the
Cherramaglur Bungalow also may
be left to her for her maintenance
in addition to her Balur properties.
I have arranged to stay her

Sale of his Bungalow on his

7th inst and am this day

submitting his case officially

for his orders of Government.

I beg to remain

Sir,

Adverting to the Proceedings of Government No. Fl. 2441-2/b.8-09-12 dated 18th November 1909, passing orders on the sale of certain lands belonging to Saraswatamma, widow of the late M.Ganesha Rao, a defaulting member of the late Chikmagalur Agricultural Bank, I have the honor to state that, as desired by Government in Para 6 of the said Proceedings, Saraswatamma was informed of the order of Government and was asked to state which of the two properties - the Chikmagalur Bangalow or the Balur coffee lands - she would elect to keep. In reply, Mrs Ganesh Rao wrote to say that she had appealed to the Government asking for certain concessions with regard to the sale of her properties held in September 1909, and that till her appeal was disposed of she was unable to reply to my letter.

As however, no communication was received from Government to show that any appeal had been preferred before them by the lady and as the lady had declined to give any definite answer to my letter, I advertised the Chikmagalur Bangalow for sale on

3

the 7th instant, that is, in accordance with para 5 of the said Government Proceedings, leaving the smaller coffee numbers of the Balur village for the lady's maintenance as already proposed in my letter No. 139 of the 6th October 1909.

Mrs. Ganesha Rao has now presented an application stating that she is placing her case before the Dewan and requesting that until orders are passed by Government the sale of her Chikmagalur Bangalow may be stayed.

In the above circumstances, I beg to be favored with orders as to whether the sale may be stayed pending the orders of Government on Mrs. Ganesha Rao's application, or whether I may proceed with it.

Sir,

With reference to your letter No. K 2078/B.8.09.6 of 19th October last, requesting to be informed whether Mr. Abdul Wahab Ganjami, who has agreed to purchase for Rs 7000/- the Coffee Estate of Mr. G. Abdul Khaliq (son of G. Abdul Khadir Sab) mortgaged to the late Chikmagalur Agricultural Bank, is a Solvent person and is prepared to give additional security - if so, what - for the repayment of the balance of Rs 6000/ of the purchase money, I have the honor to state as follows: -

The individuals referred to, both appeared before me yesterday. Mr. Abdul Wahab is ascertained to be

Solvent

solvent and is willing to give an additional security his own Coffee estate in Survey No. 130 of Davanhally village in Chikmagalur Taluk. It measures 23 acres — 24 guntas and is assessed at Rs 35/4/- The Coffee estate is understood to be in a fairly good order and is estimated to be worth nearly Rs 2,000/-

In addition to the Rs 1,000/- already paid up by Mr. Abdul Wahab, he agrees to pay up a further sum of Rs 750/- by the end of March next. The balance then remaining will be Rs 5,250/- and for this sum, the estates mortgaged to the Agricultural Bank by Mr. Abdul Khaliq and the Coffee land above referred to are, I think, sufficient security. Mr. Abdul Wahab requests that when he will have duly paid up another instalment by June 1911, of Rs 750/- towards the balance of Rs 5250/- mentioned above, the Government may be pleased to release his own Coffee land from being held as security for the amount, as Mr. Abdul Khaliq's Estate in question will then form fully sufficient security for the remainder of the loan amounting to Rs 4500/-

This prayer is only fair and reasonable and I recommend it.

Jn

for the favorable consideration of the Government. So long as the person agrees to bind himself by the con-ditions mentioned in my letter No 105 Dated 16th September last referred to in your letter under reply, and particularly to clause ii thereof, Viz – that in the event of his making Default with respect to any one instalment, the whole amount of the outstanding balance of money will become due at once and be recoverable by the sale of the Estate, I think that there is nothing to be gained by holding this additional security for a longer time than is absolutely necessary.

If as Mr Abdul Wahab agrees to bind himself, he also pays up the next 2 (two) instalments regularly; then the estates under sale will themselves be ample security for the amount of Rs 4500/- that will remain due at the end of the 2 years and there will be no harm in ordering the release of the additional security. I enclose for the information of Government a copy of the letter presented today by Mr Abdul Wahab agreeing to offer the additional Security of his land in terms of the fact-

mentioned above.

I solicit that the Government in may/be pleased to pass early orders Sanctioning the sale as recommended by me

To.

H. R. Srinivasacharyar, Esquire, M.A.,

Thirumangalam.

Sir,

I offered to purchase Mr. Abdul Khaliq Ganjamia's Estates mortgaged to the Lake Chithmangalam Agricultural Bank having paid 1000 Rupees already and agreeing to pay the remaining 6000 Rs by eight equal yearly instalments with interest at 4% as stated in my last application containing the offer. Yesterday as a result of our personal conversation about these Estates you were pleased to demand a further security for the said sum of Rs 6,000/- than the above mentioned estates, in case the Government accepts the offer. I consent hereby to give 23 acres all fully cultivated, out of Survey No. 130 at Dasanhally as an additional security if the Government so desire.

But I pray one thing for which I solicit your favorable consideration. The money-lending Shylocks of these days of special difficulties to the planter, turns the slightest weakness of the borrower to his own advantage and never fails to screw out of him as much as he can. So, if my estate be given in security the obvious difficulty will be in raising the upkeep money against the crop of

my own estates. Besides, it will take a long time to move the Government and get the required permission for paiving the loan. So you will kindly recommend to the Government for releasing this additional security after the first two instalments are paid. Praying for an early settlement of this affair and thanking you very much for the trouble.

I beg to remain,
